

Travel League Registration - Registration for the travel league will be September 12th and September 14th at the Riley Arena from 6:00 p.m. - 8:00 p.m. If you wish to double roster your child, please indicate which team would be their primary team. For those of you who are new to hockey below I have indicated the age division based on birth year. In some cases of need or level of play we have had younger kids skate up an age division. Also girls are able to register both the girls division and their appropriate age division. The age division are based on birth year and for the 2011 season will as follows:

Mites and Tykes (U8 players) - birth years 2003 and younger

Squirts - birth years 2001 and 2002

Pee Wee's - birth years 1999 and 2000

Bantam's - birth years 1997 and 1998

Midget (High School) - 1993 through 1996

Girls U14 - birth years 1997 and younger

Girls U19 - birth years 1992 and younger

This season we anticipate having a team at each of the above age divisions assuming we can get enough players to form a team. We did not have enough registrants last season to form a Bantam team and this season we are looking into options to combine with other organizations to be able to give the kids at this age an opportunity to play and not have to play up at the Midget level. During registration we hope to be able to inform you what we think the best opportunity for you child will be and what age divisions we anticipate having this season. Based on the registration we will then get a practice schedule ready and out to everyone. **Practices will begin the week of October 10th.**

Jerseys - We will also have order forms for team jersey's available at registration. For returning players, please be sure to try on your jerseys and make sure they fit. For players that do not yet have jerseys please be prepared to order what is required by your team (we can let you know that at registration). One of the biggest things for the kids is choosing a jersey number, but some numbers are already taken, so please have your top 3 choices ready for your order form.
