IN-HOUSE PRACTICE & GAME AGE DIVISIONS (Beginning September 5):

Division 2 (Birth Years 1998 through 2001 – Approximately 10, 11, 12 and 13 year olds)

Division 3 (Birth Years 1993 through 1997 – Approximately 14, 15, 16, 17 and 18 year olds)

Please note: Beginner players may be placed in different age groups as necessary to ensure they have the safest and most enjoyable learning experience – decisions regarding placement will be made by our coaches. **If we have enough beginners, we will try to rearrange the schedule to accommodate beginner only practices and games for at least part of the in-house season.**

Also please note: Goalies will be assigned to teams by the coaches, and may be assigned to different age divisions as necessary to provide goalies for all teams and to provide as much practice as possible for all goalies.
